

HAM PLAQUE WOOD MADE

**Hand carved in
Madagascar!!!**

**A great addition to your ham
shack or a truly personal gift
for your friends**

Hand carved and elegantly engraved by Betombo, a sculptor from Nosy Be (Madagascar). Ham plaques are made of solid, select Malagasy hardwoods called bois rouge, bois noir or bois blanc. Engraved plates measure 30 x 15 x 1,3 cm, weight 600g. Custom designs available - Just ask!

We don't use restricted and endangered wood species!

**from
16€**

How to get it

Please send us a message from our web site with your call sign and your customised request - then we'll let you know the exact shipping cost from Italy.
